TECHNICAL SPECIFICATION

Planters are manufactured from galvanized steel, treated with primer and finished with powder coating.

They are solid and stable, featuring integrated height-adjustable feet. Suitable for both indoor and outdoor use.

Specification details:

- Unlimited colour range
- Coating: sand-textured finish · matte or gloss
- RIVERSIDE BASE planter collection: optional hidden caster system
- Custom products: stainless steel, corten steel, lacquered metal

CUSTOM PROJECT DESIGN

We provide custom design and manufacturing for small-scale architectural projects.

Our solutions are developed to meet specific architectural, urban, and public space requirements.

RESPONSIBLE MATERIAL CHOICE

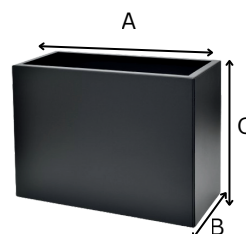

Metal planters represent a sustainable material choice.

The raw material is recyclable, durable, and easy to refinish, allowing products to be renewed and reused, extending their service life.
